Purple

omet

FREE ONLINE team math competition  
Take part in a growing INTERNATIONAL  
mathematics competition for **middle** and **high** school  
students.

Schools may form as many teams as they want.  
Supervisors can access the website to read contest  
rules, register teams, run practice contests, see old  
contests, and get a list of all registered teams as well  
as run the **2024** contest, see contest results, and  
download certificates for all team members.
